Purpose of this Report

The purpose of this document is to publicize the transportation projects in the Danville Metropolitan Planning Area (MPA) which were obligated federal funding in the 2021 Fiscal Year. The term "obligated" means that the agencies received approved grants, contracts were let for project(s), or that construction began on the project(s). The Fiscal Year covered in this report is July 1, 2020 through June 30, 2021. Projects in this document were originally listed in the DATS *Fiscal Year 2021-2024 Transportation Improvement Program*, adopted by the Policy Committee and amended as needed by the DATS Committees.

Summary of Projects

In Fiscal Year 2021, fourteen roadway projects were obligated using federal funding in the DATS MPA. The cost of all of the projects combined is \$43,458,211.78. The amount of \$37,291,073.47 was federally obligated to roadway, transit, planning, and path projects in FY2021. Roadway and path projects were obligated 95 percent (\$35,524,802.08). Transit and air projects received 4 percent (\$1,384,000.00) while planning projects received 1 percent (\$382,271.39) of the total amount obligated. The charts following show the summary of each agency's federally obligated funding.
